

District *of* INNOVATION

Public Information Meetings

Parents, staff, community and business leaders are cordially invited to attend one of the three scheduled public meetings about the District of Innovation process and draft proposal of Irving ISD's local plan of innovation.

District administrators will share the proposed plan and take questions, comments, and/or considerations from the public. The District of Innovation Advisory Committee will take these comments under consideration.

The dates and times of the meetings are as follows:

| Date | Time | Location |
|-------------------------|--------------|--|
| Thursday, March 2, 2017 | 4:00-5:00 PM | Administration Building 2621 W. Airport Freeway, Irving 75062 |
| Monday, March 6, 2017 | 6:30-7:30 PM | Administration Building 2621 W. Airport Freeway, Irving 75062 |
| Tuesday, March 7, 2017 | 5:00-6:00 PM | Administration Building 2621 W. Airport Freeway, Irving 75062 |

The first public meeting, held on March 2, 2017, will be video recorded and posted on the district's DoI webpage, www.irvingisd.net/DoI. Following the March 2, 2017, meeting and posting of the video, employees and community members will have an opportunity to submit questions, comments and considerations online. From the questions received, a "Frequently Asked Questions" documents will be created and shared on that same webpage. In addition, a voice hotline will be established on March 2, 2017, for those wishing to leave a message with their questions, comments and considerations.

For more information about the District of Innovation process in Irving ISD, please visit www.irvingisd.net/DoI or contact Associate Superintendent of Academic Services Dr. Adam Grinage or Division Director of Student Support Services Dr. Laina McDonald.
