

Parent-Teacher-Student Compact

Crockett Middle School is committed to the belief that all students can learn and acknowledges that all of us – parents, teachers, students and administrators – working together can make a positive difference in student achievement. The school will provide an optimum learning environment, which will enable students to experience success and achieve excellence in learning.

Family Pledge

As parents, we want our children to have the best possible education and realize that strong school systems are essential. We, therefore, join with Crockett Middle School in providing an optimum learning environment for our children by:

- Insisting that all homework assignments are completed each night.
- Reviewing what has been learned at school each day with my child.
- Reminding my child of the necessity of discipline at school – especially self-discipline.
- Providing for my child a minimum of one hour (3 times a week) of uninterrupted time (without television), which will be devoted to an instructional activity such as homework or reading together.
- Showing respect for school property and ensuring the safe return of all district materials and property.
- Arriving at school on time and prepared to learn.
