Applications for NCLB Supplemental Educational Services (Free Tutoring) 2007-2008

According to **No Child Left Behind**, your child may be eligible to receive **free** supplemental educational services (tutoring). Please review carefully the list of available providers and the following guidelines for this program. If you choose to enroll your child in this program, please complete this application and return it to your campus principal as soon as possible. I understand that –

1. Irving ISD will pay the District's required rate to my selected provider.
2. Services for my child will end when this amount has been reached or no later that June 30, 2008.
3. I will be notified when this designated amount has been reached, and should I wish to continue these services, I will be responsible for any amount exceeding the District's required rate.
4. Attendance is important. If my child receives three (3) or more unexcused session absences, he/she may be dropped from the program.
5. Transportation to and from this Supplemental Educational Service provider will be my responsibility.
6. If I cancel the service with this provider during the current school year, my child may still be able to receive tutorial services on this campus, or from another state-approved provider.

Should you have any questions or concerns, feel free to contact Tracie Fraley at 972-215-5040.
