BlazinBrook Management provides quality educational services on a long or short term basis and has sponsored numerous educational events that have proven to advance the educational needs of the community. Throughout the past five years BlazinBrook Management has had a positive impact on student achievement for low-income, underachieving students in the North East Houston community as evidenced by Texas Assessment of Knowledge & Skills (TAKS) scores for children who participate in informal tutorial sessions. Many of the students in our tutorials maintain honor roll status at their respective schools, consistently have 95% attendance, pass all sections of the TAKS test, and receive Academic Recognition in at least 1 area of the test at the 10TH grade level.
