### Description of Services:

Catapult Online offers live, at home direct instruction which students access via the Internet on a computer provided by Catapult Online. Catapult Online's research based program uses individualized instruction and mastery learning techniques to improve students' reading or math skills. Catapult Online is appropriate for students in grades 3-12 who are functioning at instructional levels 3-9 and parents get to choose their child's schedule which generally includes 2-4, 45-60-minute sessions per week.

### Description of Instructor Qualifications:

All Catapult Online instructors are certified teachers in their state of residence and have at least two years of successful teaching experience.

### Description of Evidence of Effectiveness:

Students who complete the Catapult Online program average one grade level of growth in reading or math.
