### Description of Services:

Genesis 8 mission is to provide a productive educational environment that promotes learning, that improves self-esteem, where students show growth therefore becoming successful members of their communities. The Genesis 8 staff firmly believes that it takes a community to raise a child. Our programs are geared to promote collaboration between the school district, the student's teacher, the parent and the child. Genesis 8 program provides tutoring services to elementary, middle and high school students in Reading, Writing and Math. Our Language Arts instruction involves developing reading and writing skills that include, vocabulary, literature, text comprehension, grammar and composition. The math instruction focuses on number sense concepts, problem solving strategies and higher order thinking skills. All tutoring sessions focus on achieving student learning objectives, homework, study skills and other strategies to improve students success in school. Genesis 8 also helps students raise their test scores. We offer 1 on 1 and small group tutoring. In addition we use computerized instruction that helps students remember what was taught during each tutoring session. Genesis 8 individualized instructional programs are developed with each students learning style in mind. We use Interactive activities to engage our students in the learning process. In other words "We make Learning Fun."

### Description of Instructor Qualifications:

The Genesis 8 staff is thoroughly trained in providing excellent educational services to meet the needs of our diverse population. We have fully credentialed teachers at each of our tutoring locations. We also employ college students that have a minimum of 2 years of college ( 48 semester credits) with majors in Education, Math, and English. Our instructional assistants must also have a minimum of 6 months instructional experience in a group setting in order to meet our student's individual needs. Our college students work along with our credentialed staff to provide 1 on 1 assistance and individualized instruction to our students. All Genesis 8 personnel are extensively screened. All program staff members attend 12 hours of training in order to meet OUR quality assurances standards. In addition, all instructional staff enroll in our professional development program. The Genesis 8 team members meet or exceed the standards for the NCLB.

### Description of Evidence of Effectiveness:

Genesis 8 has support and references from school district personnel, school principals, teachers, parents and students. Genesis 8 increases self esteem, raises test scores, and improves classroom grades. Genesis 8 has worked with over 1,500 families and has been providing educational services for over 7 years . We have successfully reduced referrals and truancy while improving attendance, self respect and classroom behavior through our Mentoring Programs on several middle school campuses. Students in our tutoring programs have improved their grades and show increased test scores. Students receiving services in math have seen their Math scores improve by 59.86 percent. Students receiving services in Reading have seen their Language Art scores improve by 97.16 percent. Students that complete the program improve by at least 1 grade level. Genesis 8 has proven effective strategies to service English Language Learners and students with special needs.
