Stone Fox RL. 3.5
There's a Boy in the Girls' Bathroom RL 4.7

Reading levels listed here came mostly from the *Perma Bound 1999-2000 Main Catalogue*. It's interesting that the Accelerated Reader generally places the books on a lower level. For example, *Charlie and the Chocolate Factory* was 6.7 in the *Perma Bound Catalogue*, but was 4.8 on Accelerated Reader. So just know that any reading level is a general guide.
