

## Turning Up the Heat with Math and Science at Lamar Middle School

Heat seekers have access to a variety of activities providing sizzling hot fun with Math and Science at different locations around the Lamar campus this evening. Attend at least four activities, raise the heat level at each station, and turn in your completed thermometer for an armband. The armband gets you a free dress day tomorrow, Friday, October 30<sup>th</sup>.

Follow these directions to find red hot activities. Teacher and student guides will help you find any location.

### Math Activities

Smoldering Computation Test for Parents  
Cafeteria

Fiery Farkle Game  
Cafeteria

Red Hot Math Websites  
Computer Lab Room 201

Special Guests - Strong Fathers with Stomp Rockets in the Small Gym

### Science Activities

Hot new scientific discovery! Visit rooms 104, 121, 131, and 133 to feverishly unlock the mystery of the Whine Flu vaccine!

**Turn in completed thermometers at the Exit table in the front lobby to receive an armband. Student and parent signatures required.**
