

THE GO CENTER

Trained student representatives from TWU and North Lake (called the G Force) are available in the Go Center, located in the Career Resource Center to help students from all grade levels for a variety of services.

Here are just a few:

- Exploring career possibilities
- Exploring colleges and universities
- Filling out *SAT*, *ACT* or *THEA* registration
- Applying to college
- Filling out the *FAFSA*
- Filling out scholarship applications

G Force students from TWU are here every Thursday from 10:00 to 1:00. Our North Lake G Force student is here on Monday and Wednesday from 9:30 to 3:30 and Tuesday and Thursday from 1:00 to 3:00. To make an appointment students need to sign the appointment sheet in the Counseling Resource Center.
