

## **I Think I Can**

(Sung to the tune of “If You’re Happy and You Know”)

I think I can are words I like to use.  
They are helpful when I’m trying something new.  
If I try with all my might,  
In time I’ll get it right.  
I think I can are words I like to use.

## **Yo Creo Que Puedo**

**Yo creo que puedo**, son palabras que me gustan.  
Cuando intento algo nuevo eso me ayuda.  
Si yo trato y trato y trato,  
Con tiempo lo haré bien,  
**Yo creo que puedo**, son palabras que me gustan.
