<p><b>Kick Start Program</b></p> <p>The overall mission of <b>KICKSTART</b> is to change and save children's lives. Resiliency is enhanced through the values and philosophies taught through the Martial Arts. This is foremost in all that we do. Specific goals of the program are to encourage students to resolve conflict productively, avoid participating in gangs, choose drug-free lifestyles, and remain in high</p>	<p>June 8<sup>th</sup> – July 2nd Monday-Thursday 8:00-12:30</p> <p>Austin Middle School</p>	<p>Kick Start Program</p>	<ul style="list-style-type: none"> <li>• Teach Discipline</li> <li>• Instill a sense of belonging</li> <li>• Provide Opportunity For Meaningful Participation In Communities And Schools</li> <li>• Set Reachable Goals</li> <li>• Create Reflective Individuals</li> <li>• Increase Family</li> </ul>	<p>Wallace Smedley David Saenz</p>

<p>school until they graduate. Martial Arts training serve simply as the vehicle to instill the values and skills necessary to combat the drug and gang-related peer pressure. The core philosophy of Martial Arts stresses the vital importance of a healthy mind and body necessary to lead a productive life.</p>			<p>Participation</p> <ul style="list-style-type: none"> <li>• Reinforce the skill sets which were taught during the school year</li> <li>• Develop leadership skills in the students who are moving up from beginner to intermediate classes</li> </ul>	
<p><b>Austin Middle School Communities and Schools</b></p> <p><u>Science-</u> -Science projects will be done Goal: to enhance the student's knowledge of science and to create a greater appreciation of careers that involve the sciences.</p> <p><u>-Leadership</u> -Students will be given workshops on skills that are required to be leaders in the various environments such as the school, work place and home. -Goal: To prepare the student for the above mentioned disciplines and make the student cognizant of the difference between followers and leaders. Initiative will be stressed in order to make the student aware of its importance.</p> <p><u>-Art</u> -Art projects will be conducted. Studies have shown that students who are involved in art do better in school.</p>	<p>June 8<sup>th</sup> – July 2nd Monday-Thursday 8:00-12:30</p> <p>Austin Middle School</p>	<p>Grants, Funds, Donations and School Funds</p>		<p>Jean Sims David Saenz</p>

<p>Goal: To enhance the student's appreciation of art and explore their talents.</p> <p><u>College Awareness</u> -Students will be given information on requirements to attend college. SAT, ACT will be discussed. Students will explore prospective careers. Goal: To encourage students to attend college.</p> <p><u>Health Awareness</u>: A speaker in the health field will address the students on good health habits. Goal: To develop healthy lifestyles in exercise, eating and emotional well being.</p> <p><u>Community Service</u> One community service project will be done. Goal: To demonstrate to the students the importance of giving back to the community and investing in other people's lives.</p> <p>Field Trips- Tentatively, a field trip will be done to a college campus. A community service project will be done at a senior facility. Other field trips will be determined by funding.</p>
