

Irving Independent School District
School Health Services

Dear Parent/Guardian:

March 25, 2009

Texas has revised the immunization laws for students. The new law went into effect on March 5th 2009. Your student will need proof of the following immunizations to begin Kindergarten for the school year 2009-2010.

Tetanus/Diphtheria/Pertussis	5 doses (4 doses if last dose after age 4)
Polio	4 doses (one dose after age 4)
MMR	2 doses (on or after age 1)
Hepatitis B	3 doses
Varicella	2 doses (on or after 1)
Hepatitis A	2 doses (on or after age 1)

A signed state of Varicella disease will count toward the Varicella requirement.

Some of these vaccines need to be administered over a six-month period. It is necessary for your child to be in compliance before the start of school in August 2009. It will be best to begin now to receive the needed immunizations.

Here are the locations and information for low-cost or free immunizations.

Dallas County Immunization Clinic
440 S. Nursery (Inside Irving Human Services Building)
Monday – Friday 8:30 to 3:30 (closed 2nd Monday each month at 10:00AM)
For Information call 214-819-2000.

Free Immunizations

Immunization Roundup April 4th 2009
Saturday 10:00 AM to 2:00 PM
Clifton Early Childhood Center
3950 Pleasant Run, Irving, 75038
