

Basic Facts 2006-2007

A Passion for Success

Vision Statement

“The Irving ISD shall be recognized as the premier provider of educational services that meets the needs of every student.”

Mission Statement

“The Irving ISD, in partnership with families and the community, resolves to meet the needs of students and to cultivate the skills of learning, thinking and communicating.”

The Irving Independent School District offers students an exciting education and a chance to succeed. Dedicated teachers are infusing today's learners with the passion and ability to become tomorrow's leaders. A well-planned instructional program gives students from all cultural, economic and educational backgrounds opportunities to experience the thrill of achievement...a chance to develop a passion for success.

Accountability Ratings

Texas Education Agency

The Texas Education Agency annually rates Texas public school districts and individual schools and then awards the following ratings: Exemplary, Recognized, Academically Acceptable or Academically Unacceptable.

The ratings are based upon student performance in reading, writing, mathematics, science and social studies on the Texas Assessment of Knowledge & Skills tests during the 2005-2006 school year, school completion data for the class that graduated in 2005 (high school level) and dropout data (middle school level) from the 2004-2005 school year. Within each subject, test scores are evaluated in the following categories: all students, African-American, Hispanic, white, and economically disadvantaged.

Facilities

Students attend classes in air-conditioned schools complete with cafeterias, libraries and gymnasiums. Several buildings have received national attention for their design.

IISD voters approved a \$249.5 million bond program in October 2001. These funds are being used to provide for new construction to accommodate enrollment growth, to renovate existing schools/ other facilities, to provide additional technology for instruction and support services, to improve disabled access, and to update heating, ventilation and air conditioning.

Accreditation

IISD schools are accredited by the Texas Education Agency and the high schools are also accredited by the Southern Association of Colleges & Schools.
