

Where to Shop for your Prescriptions

- Did you know that you can use the website www.mycigna.com to search for prescription drug cost in your neighborhood? Follow these steps:
 - o Log in to My Cigna
 - o Select the Pharmacy Tab at the top of the screen
 - o Once you are there, see the box that says Prescription Drug Price Quotes.
 - Select the name from the drop down and click on "GO".
 - o Next, just follow the steps as asked (i.e. find a drug, find a pharmacy, quantity, and supply.)

- Other websites to try:
 - o www.costco.com
 - Type in pharmacy in the search box
 - Click on the Pricing Information link
 - (you do not have to be a member of Costco to order prescriptions through them – they will charge you a 5% surcharge)
 - o www.drugstore.com
 - Click on prescriptions
 - Click on prescriptions price checker
 - You can click on the letter your drug begins with or write the name in the box

- Other places to try where you will have to talk to pharmacist or register with website:
 - o Sam's Club – must call pharmacy to get price quotes
 - o Walgreen's or www.walgreens.com
 - o CVS or www.cvs.com
