

MISSION STATEMENT

The Secondary Reassignment Center will provide a quality education for all students:

In a way that:

- ! Creates a safe and positive learning environment
- ! Provides for the unique needs and capabilities of the individual student
- ! Fosters student responsibility for their learning and behavior
- ! Develops positive attitudes toward school, community, and family
- ! Fosters high self esteem in students and staff
- ! Engages parents in a positive manner in their child=s education
- ! Stimulates teachers to become partners in the students educational process

So that:

Students will be successful upon their return to their home campus and within the community.
