

# **Stipes Celebrates Veterans Day**

## **With our “Wall of Honor”**

**The staff and students of Stipes want to celebrate Veterans Day – November 11 – in a special way. We plan to collect pictures of family members who have served in the U.S. Army, U.S. Navy, the Air Force, the Marines, or the U.S. Coast Guard.**

**We invite students and staff members to take a picture of any family member who has served or is currently serving in any part of the armed forces of the United States. *It would be great to have a picture of your relative in uniform.* We will make a copy of your picture and then send the picture back home on the same day that you bring it to school.**

**Please fill in the information about your relative at the bottom of this page when you send the picture to Mrs. Bennett in the library. We will put the picture and the information on the “Wall of Honor” in the hall across from the cafeteria. The November 12<sup>th</sup> PTA meeting will also pay tribute to our veterans.**

**Students and teachers may begin to submit the pictures to school on Oct. 8. We will continue to collect pictures until Nov. 10. The patriotic display will remain on the “Wall of Honor” until Thanksgiving. We will pay tribute to our relatives who have defended our country through the years. We look forward to seeing your pictures. If you have questions, please call Mrs. Bennett in the library at 972-600-4566.**
