

Travis School Supply List

Travis Middle School students are required to keep a standard binder (2" to 2 1/2" is preferred). Students use these binders in all classes to help them organize their work and arrive with the necessary supplies. Assignment, homework, daily work, tests, and blank notebook paper are kept in the binders. Parents, please check these binders weekly to evaluate your child's progress, help your child with organization, and to maintain the supplies in the binder.
