Dear Parents/Guardians,

Student safety is always our top priority at Davis Elementary. Because of that, we do a number of emergency drills throughout the year to practice our response to a variety of scenarios. Schools in Irving ISD utilize a system known as the Standard Response Protocol, which includes four actions:

1. Lockout
  - Threat or hazard outside of the school building.  
*example: police activity in the neighborhood*
2. Lockdown
  - Threat or hazard inside the school building.  
*example: dangerous person in the school*
3. Evacuate
  - Move students and staff from one location to another.  
*example: fire, gas leak, etc.*
4. Shelter
  - Personal protection is necessary.  
*example: tornado*

Many of our parents and community members are familiar with fire drills where students evacuate the school at a safe distance and wait for the "all clear" to return to class. However, our students and school staff must also be prepared for violent school situations that have played out across our country. Because we take the safety of our students and staff very seriously, we take all of our practice situations very seriously.

As we conduct more lockout and lockdown drills at our schools, parents and community members may notice additional law enforcement personnel on campus and patrol cars around the school. In Irving ISD, we partner with the Irving Police Department and other agencies to ensure our drills are conducted in a safe and realistic manner. When we are in lockout or lockdown (whether a drill or a real situation), visitors are not allowed inside the school and those already inside are not allowed to exit the building.

I share this information with you about our safety drills to keep you informed and to help you understand that you may see a drill in progress from time to time. Your child may come home and talk with you about the drill and an increased police presence at the school. I want to assure you that in the event of an actual emergency at our school, we will use the *School Messenger* calling system to communicate with you as quickly as possible. We want to maintain open, timely communication with you while partnering with you for your child's safety and well-being.

Thank you for support of Davis Elementary. If you have any questions, please call 972-600-4900.

Sincerely,

A handwritten signature in black ink that reads "Angela M. Long".

Estimados padres/tutores,

La seguridad de los estudiantes siempre es la prioridad máxima en la escuela Davis Elementary. Por este motivo, hacemos varios simulacros de emergencias a través del año escolar, a fin de practicar nuestra respuesta a una variedad de situaciones. Las escuelas de Irving ISD utilizan un sistema conocido como *Standard Response Protocol* (Protocolo Estándar de Respuesta), que incluye cuatro acciones:

1. Lockout (acceso bloqueado)
  - Amenaza o peligro fuera del edificio escolar.  
*ejemplo:* actividad policial en el vecindario
2. Lockdown (cierres de emergencia)
  - Amenaza o peligro dentro del edificio escolar.  
*ejemplo:* persona peligrosa en la escuela
3. Evacuate (evacuación)
  - Mover a los alumnos y al personal de la escuela de un lugar a otro.  
*ejemplo:* incendio, fuga de gas, etc.
4. Shelter (buscar resguardo)
  - La protección personal es necesaria.  
*ejemplo:* tornado

Muchos de nuestros padres y miembros de la comunidad conocen bien los simulacros de incendio en los cuales los estudiantes evacúan la escuela a una distancia segura y esperan hasta que se indique que pueden regresar a sus salones de clases. Sin embargo, nuestros estudiantes y miembros del personal deben ser capacitados para situaciones violentas en la escuela, tales como las que hemos visto a través de nuestro país. Debido a que tomamos muy en serio la seguridad de nuestros estudiantes y personal de la escuela, tomamos todas nuestras situaciones de práctica muy en serio.

Mientras llevamos a cabo más simulacros de "Lockout" (acceso bloqueado) y "Lockdown" (cierres de emergencia), los padres y miembros de la comunidad podrían notar personal de seguridad adicional y más autos patrulleros alrededor de la escuela. En Irving ISD, colaboramos con el departamento de policía de Irving y otras agencias para asegurar que nuestros simulacros sean llevados a cabo de una manera segura y realista. Cuando ponemos en efecto el procedimiento "Lockout" (acceso bloqueado) o "Lockdown" (cierres de emergencia) (no importa que sea un simulacro o una situación real), no se permitirán visitantes dentro de la escuela y a los que ya están dentro de la escuela no se les permitirá salir del edificio.

Comparto esta información acerca de los simulacros con ustedes para mantenerles informados y para ayudarles a comprender que podrían ver un simulacro llevándose a cabo de vez en cuando. Su hijo(a) podría llegar de la escuela y hablarles del simulacro y de un aumento en la presencia policiaca en la escuela. Les quiero asegurar que en el evento de una emergencia real, utilizaremos el sistema de llamadas automatizadas de *School Messenger* para comunicarnos con usted lo antes sea posible. Queremos mantener una comunicación abierta y oportuna con ustedes para fomentar nuestra colaboración en la seguridad y bienestar de su hijo(a).

Les agradecemos su apoyo a la escuela Davis Elementary. Si tienen alguna pregunta, por favor llame al 972-600-4900.

Atentamente,

A handwritten signature in black ink that reads "Angela M. Long".
