

STAYING SAFE TOGETHER

EXTRACURRICULAR ACTIVITIES

Follow these tips to stay safe and healthy during extracurricular activities

Tip 1: Self-Check

Students should perform a self-check at home prior to arriving for practice. If you are experiencing any COVID-19 symptoms, stay at home. A list of COVID-19 symptoms can be found at IrvingISD.net/SafeTogether.

Tip 2: Bring Required Materials

Make sure you bring all required materials to practice including a water bottle, food, uniform and anything else mandated by the coach/teacher. These materials need to be labeled and in a secure location at all times. Sharing food and/or drink is not permitted.

Students must also have a face covering to wear at practices and performances.

Tip 3: Practice Social Distancing

Students should remain at least six feet apart from peers and coaches/directors during practices and performances whenever possible.

Spectators should remain at least six feet apart from other groups and at least 10 feet away from performer areas during performances and games.

Tip 4: Keep Everything Clean

Hand sanitizer, disinfecting wipes, soap and water will be made available at each practice, rehearsal and performance space for students to use frequently.

In addition, highly touched surfaces, including athletic and fine arts equipment, will be disinfected frequently.

Tip 5: Come Prepared to Games and Performances

Spectators will be allowed at games and performances but will need to abide by the following UIL and/or district guidelines:

- Athletic tickets will be purchased online at IrvingISD.net/Athletics.
- Attendees must wear a face covering.
- Groups should maintain at least six feet of distance from other groups.
- For athletics, students must be accompanied by a parent to attend an event.
