

Student COVID-19 In-Person Expectations Plan

Screening Protocol

- *Screen self before coming to school.
- *Students must not come to school if has COVID-19 symptoms or is lab-confirmed with COVID-19. Instead choose to opt to receive remote instruction.
- *If COVID-19 confirmed or exhibiting COVID-19 symptoms, follow notification process for COVID-19.
- Loss of taste or smell, cough, difficulty breathing, shortness of breath, fatigue, headache, chills, sore throat, congestion, or runny nose, shaking or exaggerated shivering, significant muscle pain or ache, diarrhea, or nausea and vomiting. Have you been around anyone exhibiting these symptoms or who has tested positive for COVID-19 in the past 14 days?

Notification Process

- *Lab-confirmed or experiencing symptoms of COVID-19 must stay at home throughout the infection period, and cannot return to campus until the school system screens the individual to determine any of the below conditions for campus reentry are met
 - *24 hours have passed since recovery
 - *Improvement in symptoms
 - *At least 10 days passed since symptoms first appeared.
- If you choose not to be evaluated by a medical professional or tested for COVID-19 (you are assumed to have COVID-19) and may not return to the campus until the individual has met the three-step criteria listed above.
- If student has symptoms and want to return to school before completing the stay at home period, the individual must
 - *Obtain a medical professional's note clearing the individual for return or
 - *Receive two separate confirmations at least 24 hours apart that they are free of COVID via tests and an approved COVID-19 testing site.

Cafeteria

- Depending on the number of students in the school, students may have meals in cafeteria, classroom, or courtyard.
- *Cafeteria capacity will be based on current guidelines. Physical distance will be provided around each occupiable seat.
- *Breakfast will be as "grab and go" for easy pick-up
- *Signage and staff will reinforce physical distance and traffic patterns in the cafeteria.
- *Some furniture may need to be removed or labeled to promote social distancing.
- *Microwaves will be removed to prevent cross contamination. Hand sanitizer stations will be available at entrance of the cafeteria.

Hand Washing/Sanitizing

- *Students will be trained on appropriate hygiene practices.
- *Wash hands frequently and uses sanitizing stations responsibly.

Arrival Time

- *Early bird arrivals are strongly discouraged. Students will not be allowed inside the building
- *Entry doors will be designated based on arrival method: bus riders, parent drop-off/walk to school, etc.
- *Designated entry doors will be propped open for no-touch entry. Any open doors will be continuously monitored by staff to stop unauthorized access and to monitor for threats.

Dismissal

- *Parents with the ability to pick up students are encouraged to do so.
- *Dismissal times will be staggered to limit the number of students in hallways and exit at any given time.
- *Sanitizer stations will be placed at each exit and students will be encouraged to sanitize hands prior to exit.
- *Parents picking up students will wait in their car until his/her student arrives to the vehicle

Restrooms

- *Limit the number of occupants utilizing each restroom.
- *Create a hall pass which is not commonly touched.
- *Clean and sanitize restrooms every hour.
- *Signage displaying handwashing techniques

Protocols for Face Coverings

- *Students in 3rd through 12th grade will wear face coverings in hallways, common areas, while riding the bus to and from school and during arrival and dismissal, and in the classroom.
- *Students' individual needs will be addressed on a case-by-case basis.
- *Repeated request to keep mask on will result in remote learning for six weeks.
- *Do not intentionally cough/sneeze/spit on another**

Check-out Procedures

- *Parents call ahead of time to schedule a pickup and answer qualifying over the phone.
- *Parent/Guardian email the attendance office from the email address that is on file to schedule a time for pickup. Email must include photo copy of ID.
- *Verification call made for permission/authorization of pickup.

Morning Entry

- *Enter assigned entry door with facial covering
- *Patiently Stand six feet apart
- *Get temperature checked
- *Sanitize hands
- *Go directly to designated area
- *If exhibiting COVID-19 symptoms go directly to the nurse's office

Grab and go Breakfast Hot breakfast/Lunch

- *Students will grab breakfast/lunch and sit in designated areas.
- *Areas will be marked clearly for socially distancing

Transition

- *Students and staff will follow protocols for face coverings.
- *Staggered releases from each class will be organized to limit the number of students in the hallway during transitions.
- *Traffic patterns will be established throughout the campus
- *When possible, one-way traffic throughout campus corridors will be established.

Classroom Expectations

- *Students will wear face coverings in class.
- *Students will sit in assigned seating daily to assist with contact tracing.
- *Students will have socially distance as much as possible in class.
- *Bring technology daily!
- *Communal supplies will be limited.

Isolation Protocols-Displaying COVID-19 Symptoms

- *Students displaying symptoms of COVID-19 will be escorted to the nurse's office
- *Parent will be notified to pick up student within 30 minutes and no more than an hour from the time the campus contacted the student's parent/guardian
- *Other students will be removed from the campus and taken to an alternate location so the classroom can be disinfected.
- *District communication will be provided to the parents of students.
- *Students and staff who have tested positive for COVID-19 will be required to submit a letter of good health from a physician's office prior to returning to school.**
