

Parent Permission Letter

Dear Parent,

Your child has been chosen to participate in the Irving ISD Mentoring Program (Champions League). In the program, your child will be matched with an adult volunteer from the district and Irving ISD community partners. Mentors will meet with their mentees at the school twice a month during the student's breakfast or lunchtime for 30 minutes. The mentor will act as an adult role model for encouragement and a positive influence, especially around academic goals, and personal development.

The school feels that your child will greatly benefit from having another positive role model in their life and hopes that the relationship will lead to increased academic performance, self-esteem, and emotional development.

The mentors that have volunteered for our program have been thoroughly screened and investigated by the school.

We feel that these caring adult volunteers will be making excellent contributions to the quality of education in our school. If you would like your child to participate in our mentoring program, please discuss it with them. If they are comfortable with the idea of having a mentor, please grant your permission by signing below. The school staff will soon be in contact with you about your child's new mentor.

Thank you for your time. We hope this program will be of great benefit to everyone involved.

Sincerely,

School Principal
