Dear Parent/Guardian,

Irving Reads is a powerful literacy initiative that empowers Irving families to join in a shared experience of reading one book together. All students in fourth through seventh grade will be given a copy of the book *The One and Only Ivan* by Katherine Applegate to read with his or her family. This fictionalized story is inspired by a real-life gorilla that was rescued by Zoo Atlanta from a shopping mall in Washington in the 1990s. For more information about the book and author, visit http://bit.ly/Irving_Reads_Ivan.

Although our program is geared for upper elementary and middle school students, we encourage you to read aloud to your students and discuss the book as a family every night. This will allow students to engage in interesting and deep conversations while reading with the family. Reading should take about 15 minutes each night. This program will run for two weeks from Oct 29-Nov 9.

Visit www.irvingisd.net/IrvingReads to access additional support materials for the book.

Itsy Bitsy Spikers is our introductory program for our beginning players in grades K through 5 which focuses purely on skills training in preparation for recreational play and/or Pre Club. The 4 -week sessions consist of 1 hour and a half session each week.

Dates and times TBD please visit www.drivenationsports.com for more information.

Pre Club is a 6 week program in place to help smooth the transition from recreational volleyball programs to the club environment. It consists of coach led, progressive skills training sessions twice a week (Mondays and Wednesdays) followed by weekly game experience giving the players an opportunity to apply what they have learned in an informal but competitive setting. Players are assessed during the first 2 - 3 week sessions and placed onto teams corresponding to their age and skill levels.
