

Chromebook How Do I Login?

_oain Screen

When you open a Chromebook, you will find a screen like the one pictured here. It may have several login boxes like the one in the center for different users.

•If you have never used the device, click on "Add person" at the bottom left corner. •If you have used this device before, you can simply type your password into your login box.

A new screen will open, asking for your email address. Type in your Irving ISD email address, which is username@stu.irvingisd.net.

Click Next.

Enter your	email	

Sign in to your Chromebook

	Sign in to Irving ISD Single Sign-On
þistrict User	mame
þistrict User Password	rname
bistrict User Password	mame
District User Password Sign in	mame
Þistrict User Password Sign in	mame

You will the be directed to the Irving ISD Single Sign-On page.

Type your regular Irving ISD username and password and click on Sign In.

Later Logins

After your first login to a device, you will not have to complete all of these steps in order to login. You can simply type your password into your login box.
