

Low-interest loans you can trust

What do retirement plan withdrawals, high-interest credit cards, and payday loans all have in common? They are the high-cost solution that leave little-to-no room for financial security.

With Salary Finance, borrow money that will pay down debt and grow your savings, so you can accomplish your financial goals.

Higher acceptance rate

Proof of employment and credit score are all that's needed to apply

Affordable loans

Get loans of up to \$35,000 with low fixed rates from 5.9 - 19.9% Annual Percentage Rate (APR)**

Easier repayments

Never miss a payment with deductions made directly from your paycheck

**Your individual fixed rate may vary
